### EAHSC Rules for Conduct of Shows

1. By participating at a show, show organisers, judges, exhibitors, owners and handlers agree that they will unconditionally submit themselves and the persons accompanying them to the "Rules for Conduct of Shows" and, as regards veterinary matters and drug misuse, to the relevant ECAHO Veterinary Regulations and ECAHO Rules for Medication Control. The accompanying persons include e.g. trainers or persons representing the show organizer as well as assistants of any of those persons. They will accept the jurisdiction of the Disciplinary Committee (DC), the Standing Disciplinary Committee (SDC) and the ECAHO Appeals Committee (EAC). Show organisers are not permitted to introduce rules which are in conflict with the EAHSC "Rules for Conduct of Shows". The person who has signed the entry form will be considered to be the person

responsible for the horse in question. These Rules will be interpreted when necessary under the provisions of the laws of Switzerland.

2. Horses must be accompanied at the show by a horse passport containing all vaccination records. Those horses coming from a country that does not issue a passport, must be accompanied by an official Registration document which includes a graphic description and all vaccination records. If when a horse attends a show, its passport is at the Registry for any reason, then a letter from the registrar attesting to this must be provided along with a photo-copy of the passport, including the description and the vaccination records.

### **The show organizer**

3. The show organiser reserves the right to refuse an entry, but must give the reason for refusal in writing.

4. The show organizer will issue a printed show catalogue. The name of every horse has to be printed in the show catalogue, as well as the names of sire and dam, (and maternal grandsire if possible) date of birth, colour, the names of the breeder and the owner. Should a horse's name not be mentioned in the catalogue, its participation at the show will be allowed only if the exhibitor cannot not be blamed for the omission; it will be for the DC to decide.

The show catalogue shall furthermore contain:

- The Rules for Conduct of Shows,
- The judging system used, the rules for ties and the rules for championships, rules for foal classes (where applicable)
- For Shows where prize money is awarded the total amount and distribution of prize money.

5. No class may be split unless there are more than 10 horses entered. Combination of a class with the next age group of the same sex is permitted if the number of entries for the class is below three.

6. a) No announcement indicating the identity, breeding or past performance of exhibits, or the identity of their owners will be made during judging. It is, however, permissible for this information to be given out after the judges score sheets have been collected for each exhibit.

b) Show organisers will not release details of competitors or their exhibits to the press at any time prior to the catalogue being put on sale at the showground. Catalogues will not be offered for sale, published or posted on internet more than one day before the commencement of the show.

7. a) No member of the show organising team may judge or officiate as member of the Disciplinary Committee.

b) If an ECAHO official or member of their family is a part of the Organizing Committee of an independent A or Title show, which is not organized by the National Association of

the country where the show is held, then that Official cannot officiate at any other A or Title show.

c) Members of the Organising Committee of A and Title Shows may not enter their own horses in a Show which they organise.

8. The show organizers will ensure a proper rotation of judges.

9. The show organiser will provide appropriate transport, accommodation and meals during the show, for the judges, DC members, ring master and any other ECAHO show officials. If a judge, DC member or ring master cancels the invitation after the travel arrangements have been made, he will pay all the costs arising out of this booking.

10. No gifts in the form of fees or money are allowed to be paid or given by the organiser, nor accepted by the judges, DC members and ring masters. Material gifts are allowed.

**Judges, DC Members, Ringmasters and respective probationers, hereafter referred to as 'Official (s)'**

11. Officials invited to judge at ECAHO affiliated shows agree to judge with integrity and honesty and to carry out their duties solely with the objects of ECAHO and the welfare of the horses in mind.

12. a) Officials appointed at a show will not knowingly officiate in a class in which horses are entered concerning which there may be an actual or apparent conflict of interest. No official appointed at the show may exhibit, ride, drive or handle an entered horse or pursue any other activity not consistent with his duties at the show in which he is officiating.

b) Exhibitors will declare on the entry form any actual or apparent conflict of interest with any of the officials invited for the show. Any exhibitor not declaring an existing conflict of interest, of which he is aware, will forfeit all entry fees and will be prevented from showing the horse.

c) Organisers will not accept any entries for which any actual or apparent conflict of interest with one of the appointed officials has been indicated by the exhibitor, unless a reserve official is available.

d) Judges will not visit exhibitors' premises or accept exhibitors' hospitality or gifts immediately before or during the show concerned, or accept any other benefits that could bring into question the judge's integrity or honesty.

13. a) An actual or apparent conflict of interest may occur if a horse is exhibited that:

- Is being trained or handled by a member of the official's family,
- has been bought or sold by an official either as owner or agent,
- has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture,
- has been leased by the official, at any time

- has been bred by or is the property of a breeding organization in which the official is or was an employee,
- has been regularly trained, examined or treated by the official in a professional capacity,
- is the subject of an on-going negotiation to buy or lease, or a provisional purchase condition to which the official is a party.

In case of doubt, the DC's decision will prevail.

Any official must decline to officiate if they consider themselves to have a conflict of interest concerning a horse, its handler, or its owner (s).

13. b) If during the show a conflict of interest of which the exhibitor was un-aware becomes apparent, the following options are available:

- If the official with the conflict of interest is a judge or probationer judge,
  - The judge or probationer judge will suspend his/her duties for the duration of the class and respective championship
  - A published Reserve Judge or another judge from the judges panel may be used for the class and respective championship.
  - If the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships.
- If the official with the conflict of interests is a DC member, this DC member is not allowed to issue any yellow or red cards for the duration of the class and respective championship, but may continue all other duties.
- If the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by:
  - A reserve Ringmaster
  - A member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

14. Judges will not consult the show catalogue before or during the show at which they are judging.

15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the ring master.

16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.

17. The judge, or if more than one, the panel of judges may request that the ringmaster show a handler a yellow or red card if they consider that there is abuse to a horse or misconduct.

### **Conduct of Halter Classes**

18. All handlers at A and Title Shows must be in possession of a valid handlers permit which they must present to the DC in order to participate.

19. Handlers will be neatly dressed. They may wear any costume normally worn in their country of origin. Handlers will not wear clothes carrying any form of advertising which discloses the connection of the horse they are handling.

20. The judge(s) may request that the ringmaster order unruly horses to be withdrawn.

21. The judge(s) may request that the ringmaster ask a handler to open a horse's mouth or pick up its feet for inspection.

22. Exhibits are to be judged standing, walking and trotting. Handlers who do not comply with the ring master's instructions regarding the above may be given a Yellow/Red card by the ring master. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card.

23. a) Horses will appear in the collecting ring no less than 10 minutes before the start of the class.

b) Exhibits that appear late (missing the walk around the ring) will be excluded from the class.

24. Stallions and colts aged three years and over may be shown wearing bridles and bits that are both secure and comfortable for the horse. All bridles without bits are equally to be both secure and comfortable for the horse. Any horse that is not under control will be removed from the show ring and disqualified.

25. a) Any horse becoming loose in the collecting ring is subject to a penalty (of a fine not exceeding € 100) at the discretion of the DC.

b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding € 100) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.

26. spare

### **Soundness**

27. Exhibits that appear to be lame may be assessed and placed by the judges. Judges may exclude any horse so lame that assessment will inflict pain.

28. spare

### **Disguising of Exhibits**

29. No alteration of the basic colour of the skin, coat or hooves is permitted. Hoof paints, colourless varnishes, coat dyes, glitter spray and cosmetic operations including

skin grafts are forbidden. Tail and mane hair extensions are forbidden. Colourless hoof oils, Vaseline or oil and white chalk used on white legs will be accepted.

30. Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behaviour by oxygenating the bloodstream or by the use of weights or artificially weighted shoes, or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden.

Burns, cuts or other marks on the body of any exhibit in such places or positions as to indicate that prohibited methods have been used will be regarded as full and adequate grounds for exclusion of any exhibit from competition, at the discretion of the DC with veterinary advice.

31. a) In halter classes horses may be fully or partly body-clipped, subject to eyelashes being left uncut, hair inside the ears left unshaved and tactile hair left intact around the nose, muzzle and the eyes. Horses not fulfilling these criteria will not be allowed to participate.

b) No equipment intended to alter the natural appearance of the horse is permitted in the stables, including necksweats, neck collars, tailracks, hobbles or weights. Anyone using such equipment on the showground may be suspended by the DC for the period of the show.

32. spare

### **Cruelty**

33. Excessive whipping or shanking, excessive stimulation by noise or intimidation, excessive circling of the horse, use of electric shock devices or infliction of pain by any means is forbidden in all parts of the showground or stable areas, at all times.

34. The above offences will be sanctioned.

### **Enforcement**

35. **Verbal warnings:** DC members, ringmasters, stewards or show officials may issue verbal warnings. These are not recorded in the DC report.

36. **Yellow and red cards** may be issued by DCs and Ringmaster in the collecting ring and the main ring. They are issued to a handler and are a visible and public warning of an offence having been committed. The date and offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.

37. **A yellow Card** may be issued if there is a further offence after a warning or it may be issued without such warning.

38. **A red Card** will be issued if the handler receives a second yellow card for having committed a further handling offense during the same show. The offender will then be banned from handling any horses for the rest of the show in which he receives the red

card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.

39. Any handler disobeying the instructions of any DC member, judge or ring master may be punished immediately by being shown a yellow or red card.

### **Veterinary Matters**

40. Horses with apparent clinical signs of a disease may not participate at the show at the discretion of the DC Veterinarian. If the DC Veterinarian diagnoses apparent clinical signs of a contagious disease, the horse must be immediately put into quarantine and may not participate at the show.

41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 35).

42. All Veterinary treatment necessary at the show ground must be carried out according to ECAHO Veterinary regulations. The person responsible for the horse will ask the vet who treats the horse to complete a treatment form and present it to the DC-vet at the show.

43. a) The administration of any substance not a normal nutrient (including irritants applied to the skin or mucous membranes or mydriatic drugs in the eyes), whether intentionally or unintentionally which may affect the performance, temperament or soundness of an exhibit is forbidden.

b) The DC may order chemical tests on any exhibit.

c) Judges may request the DC to test any horse.

(See the section on “Medication Control” page 25).

### **Complaints**

44. A show organiser, appointed judge, ring master, exhibitor, owner or handler of a horse entered at the show may lodge a complaint alleging infringement of the rules of the EAHSC, contained in the “Blue Book”. Any complaint, except concerning a complaint about a judge or any other official including show organisers, is to be made in writing before the end of the show. A deposit of € 200,- or equivalent in local currency will be lodged with the DC and may be retained if the complaint is considered frivolous, at the DC's discretion. Such forfeiture belongs to ECAHO.

45. Any complaint about a judge or any other official including the show organisers is to be made in writing and signed by two individuals. Such complaint must contain any evidence and be sent to the ECAHO executive Secretary (show section) within 3 days of the show. - e) A comparative judging system is recommended.
- f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.

Foals – for identification purposes:

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.

Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be microchipped and in possession of a copy of the official Stud Book Registration Form, showing the micro-chip number and the graphic description of the foal.

## **UKIAHS Show Rules for Foals**

1. Foals being shown in the un-weaned foal class (only) may be shown free (without halter) for their individual presentation. The mare must stay in the ring with the foal at all times.
2. Both foal classes will be judged on a comparative system with each judge ranking their choice, and without discussion with other judges. In case of a tie in placings, the judges will confer and come to an agreement.
3. The first and second prize winners of each foal class will come forward for the International Arabian Foal Championship. All foals in the championship will be shown on a halter.

## 2. Conditions of Entry – Ridden Classes – International Classes

## **7. Method of Judging**

### **In-Hand Classes (except Foal Classes)**

Each Judge will give 1-20 points (1/2 points allowed) for the following criteria:

- a. Type
- b. Head & Neck
- c. Body & Topline
- d. Legs
- e. Movement

### **Rules for Ties in All Placings**

In the event of a tie in all placings in a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

### **Rules for Championships**

#### **Championship method (c) Open method –**

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue.

1. The Championships will be judged as follows:

- a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
- b. The horses will be judged individually, standing and trotting.
- c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the highest number of championship points. The Silver Medal will be awarded to the horse with the 2nd highest number of

championship points. The Bronze Medal will be awarded to the horse with the 3rd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. In Title and A Shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

**UKIAHS Ltd – all In-hand Championships – the top 3 of each class will qualify for their respective championship.**

Rules for ties in Championships – in the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If there is still a tie, the rules for ties in qualifying places will be applied.

### **International Ridden Classes**

There will be two judges. The first, who will not ride, will award points for type and conformation. The second judge will ride each horse and award points for manners, performance and ride. Horses will be placed in order of their total scores. The judges will not confer during the classes.

Points will be awarded as follows:

- a. Type – 1-20    b. Conformation – 1-20,
- c. Manners and performance – 1-20;    d. Ride – 1-40

The 'Manners and Performance' mark will be awarded for performance during the initial 'go round', i.e. before the judge rides the horse.

### **Rules for Ties in All Placings**

In the event of a tie, the higher place will be awarded to the horse with the most points for ride. If there is still a tie, the higher place will be given to the horse with the most points for manners and performance. Failing a decision on either of these, the judges will be asked to state their preference.
