4. Protective headgear – no person shall be mounted on a horse on the showground unless he/she is wearing a correctly fitting hard hat.
5. Exhibits must wear conventional and well-maintained English-style tack. No western gear or western saddles will be permitted. The judge may refuse to ride or judge a horse if he/she considers the tack to be unsafe or unsuitable.
6. Exhibitors must wear conventional 'English' show attire (hacking jacket/blue, brown or black jacket/tails).

Horses placed below a horse so disqualified will move up a place in the class but will not be entitled to enter the championship.
12. Complaints. ## 7. Method of Judging

### In-Hand Classes (except Foal Classes)

Each Judge will give 1-20 points (1/2 points allowed) for the following criteria:

- a. Type; b. Head & Neck; c. Body; d. Legs; e. Movement

## Rules for Ties in All Placings

In the event of a tie in all placings in a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

## Rules for Championships

### Championship method (c) Open method –

The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship. The number of horses qualified from each class will be officially announced by the show organizer in the schedule and the show catalogue. **Top 3 horses in each Qualifying Class will come forward for their respective Championships**

1. The Championships will be judged as follows:
  - a. All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.
  - b. The horses will be judged individually, standing and trotting.
  - c. Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

- A horse nominated by a judge for Gold Medal will receive 4 points.
- A horse nominated by a judge for Silver Medal will receive 2 points.
- A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of votes for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championship points. From the remaining horses:

The Silver Medal will be awarded to the horse with highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. All horses that are awarded a medal in their respective Championships must take part in the prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, the absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from showing for the period of one year from the date of the show. . In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the Championship. During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the Ringmaster/DC

5. In Title and A Shows all horses that qualified for their respective Championship must remain at the showground until after their championships.

**UKIAHS<sup>Ltd</sup> – all In-hand Championships – the top 3 of each class will qualify for their respective championship.**

### **International Open Ridden Classes**

There will be two judges. The first, who will not ride, will award points for type and conformation. The second judge will ride each horse and award points for manners, performance and ride. Horses will be placed in order of their total scores. The judges will not confer during the classes.

Points will be awarded as follows:

- a. Type – 1-20
- b. Conformation – 1-20,
- c. Manners and performance – 1-20;
- d. Ride – 1-40

The 'Manners and Performance' mark will be awarded for performance during the initial 'go round', i.e. before the judge rides the horse.

### **Rules for Ties in All Placings**

In the event of a tie, the higher place will be awarded to the horse with the most points for ride. If there is still a tie, the higher place will be given to the horse with the most points for manners and performance. Failing a decision on either of these, the judges will be asked to state their preference.

## **8. Prizes and Awards**

Place rosettes will be awarded to 6<sup>th</sup> place in each class. Commemorative rosettes will be awarded thereafter. 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> in classes 1-22 will receive an award to keep.
